(iv) disclose, provide, or otherwise make available trade secrets contained within The Processes and Documentation and associated materials in any form to any third party without the prior written consent of The Institute. Licensee shall implement security measures as defined by the Institute and agreed to by the parties, to protect such trade secrets.

The criteria may involve training on new developments, upgrading of The Processes and possible fee restructuring. If approval for full certification is denied after a year, the Licensee can renew the provisional license for another year.

Licensee's sole and exclusive remedy and the entire liability of The Institute and its suppliers and licensors under this limited warranty will be (i) replacement of defective media and/or (ii) at The Institute option, repair, replacement, or refund of the purchase price of The Processes, in both cases subject to the condition that any error or defect constituting a breach of this limited warranty is reported to The Institute or the party supplying The Processes to Licensee, if different than The Institute, within the warranty period. Institute or the party supplying The Processes to Licensee may, at its option, require return of The Processes as a condition to the remedy. In no event does The Institute warrant that The Processes is error free or that Licensee will be able to operate The Processes without problems or failures.

BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, THE ABOVE LIMITATION MAY NOT APPLY. THIS WARRANTY GIVES LICENSEE SPECIFIC LEGAL RIGHTS, AND LICENSEE MAY ALSO HAVE OTHER RIGHTS WHICH VARY FROM JURISDICTION TO JURISDICTION. This disclaimer and exclusion shall apply even if the express warranty set forth above fails of its essential purpose.

General Terms Applicable to the Limited Warranty Statement and End User License Agreement

In no event shall The Institute For The Study of Peak State's or its suppliers' or licensors' liability to Licensee, whether in contract, tort (including negligence), breach of warranty, or otherwise, exceed the price paid by Licensee for The Processes that gave rise to the claim or if The Processes is part of another Product, the price paid for such other Product. BECAUSE SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATION OR EXCLUSION OF CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

Licensee agrees that the limitations of liability and disclaimers set forth herein will apply regardless of whether Licensee has accepted The Processes or any other product or service delivered by The Institute. Licensee acknowledges and agrees that The Institute has set its prices and entered into this Agreement in reliance upon the disclaimers of warranty and the limitations of liability set forth herein, that the same reflect an allocation of risk between the parties (including the risk that a contract remedy may fail of its essential purpose and cause consequential loss), and that the same form an essential basis of the bargain between the parties.

The Warranty and the End User License shall be governed by and construed in accordance with the laws of British Columbia, Canada without reference to or application of choice of law rules or principles. If any portion hereof is found to be void or unenforceable, the remaining provisions of the Agreement shall remain in full force and effect. Except as

Attachment to License Agreement for the Peak States Provisional Basic Certification

Revision 2.1 (Dec 14, 2021)

This attachment defines what "The Processes" are in the License Agreement for the Peak States Provisional Basic Certification.

In essence, any information, processes, techniques, methods, products or procedures that are taught or issued to the licensee that are not public domain materials are included under the label "The Processes". From time to time we will be adding new material.

Note that some of these processes are for the exclusive use of the therapist, and are not to be used on clients. These items are noted in the list below. (This restriction may be lifted on an item-by-item basis by notice from the Institute after they have had further testing.)

Specifically, the material includes (but is not limited to) the unreleased material in the *Peak States Therapist's Manual: Volume 1* (renamed the *Basic Peak States Therapist's Manual*):

- Triune Brain Therapy™
- Waisel Base Emotions Technique™
- Laks Peak Experience to State Technique™ (equivalently renamed as The Peak Experience to State Technique™)
- Rapid Whole-Hearted Healing™ (not for clients)

Specific peak state processes:

- Brain Light Process™
- Silent Mind Technique™
- Inner Peace Process™ (This is the more advanced process than the one that was released to the public)
- Life Path Process™
- Flattened Emotions Process

And any material in the *Basic Certified Peak States Therapist Manual*.

There will be updates to this attachment from time to time as new or modified material becomes available.
